

## Sinus trouble?

### *Have you tried Calm Relief?*

*A lady came for lymph drainage therapy for her sinus' because its the only natural help she found. After a previous session there was improvement. But this sinus condition was stubborn. Congestion would build to headaches with triggers of allergies and weather change. Can you relate?*

*A combination of therapies and equipment provided the needed results. The headache from the sinus pressure released. Within minutes she could breathe better than she had in years.*
